Hypothesis regarding the sinking of the USS Abraham Lincoln and USS Harry S. Truman based on the patterns of their deaths:

Lincoln

## ABRAHAM – The Name of Father Mother Son

- AB = father
- RAHAM = RAM / sacrifice / son
- MAHAR = MAR = SEA mother
- BA = Baphemet Ram Goat / Lamb Sheep Sacrifice of the son / the SOUL

## LINCOLN

- LIN = LION
- COL-N = KOL-EYN = KING

Lincoln is the Lion KING – El Ion King.

Abraham symbolizes the **Lamb of God**.  
 Lincoln symbolizes the **Lion of the Lord's vengeance** that will **MAUL the NATION**.  
 Together, **Abraham and Lincoln, the Lion and the Lamb, shall lay down together** as they **cleanse the world** using the Global Warming Flood of Noah as a main manipulation tool.

Abraham Lincoln is remembered as the president who **held the Union together**.  
 This is the subliminal message **embedded within the minds of the population of the world, of the Union of a One World Government, a New World Order, the Kingdom of God on Earth, the Age of Aquarius, the Age of Reason and Enlightenment, the Environmental Green Movement, ...** or to sum up, the **worship of the mother, father and the son, the worship of the sun god, the AIR, WATER and EARTH.**

They elite, as reflected in their predictive programming, architecture designs and coding, may re-enact his 'murder in the theater' in his 'box' in what they call the 'theater' of the Persian Gulf at the Strait of Hormuz, a 'ford' or place of crossing.

### Building blocks:

- April 14, 1865 Lincoln was shot in the Ford Theater box behind the left ear and died one day later.
- Enemy signaling: Captain 'Slaughter' (Zechariah 11) calls the Persian Gulf 'the theater', denounces himself as 'tip of the spear'. Note, the pet goat in the opening scene is in a box also reflecting the Silver Gate and him being restrained as of yet.
- **Ford** in the Bible and etymology means 'place of crossing'.

### This month on Torah calendar may allude to their timing:

- The 14th is December 10-11
- The 15th is December 11-12 (note the full Moon at the Silver Gate and Sun at the Golden Gate line up the 12th)

Lincoln died at 7:22 a.m. on April 15.<sup>[3]</sup> Mary Lincoln was not present.<sup>[69][70]</sup> In his last moments Lincoln's face became calm and his breathing quieter.<sup>[71]</sup> Field wrote there was "no apparent suffering, no convulsive action, no rattling of the throat ... [only] a mere cessation of breathing".<sup>[64][65]</sup> According to Lincoln's secretary **John Hay**, at the moment of Lincoln's death, "a look of unspeakable peace came upon his worn features".<sup>[72]</sup> The assembly knelt for a prayer, after which Stanton said either "Now he belongs to the ages" or "Now he belongs to the angels."<sup>[8]:134[73]</sup>

## Washington State – The HANFORD NUCLEAR RESERVATION SITE – The John T. FORD THEATRE and Lincoln

On April 14, 1865, just after Lincoln's re-election, and just shortly after his inauguration on March 4, 1865, Lincoln was assassinated by John Wilkes Booth, a famous actor of the time, and a person very familiar with the FORD THEATRE in which Lincoln was watching a play entitled "My American Cousin".

The John T. Ford theatre was originally built in 1833, and was a Baptist Church.  
BAPTIST = to be submerged in WATER.

John T. Ford bought the old church and renovated and re-opened it as a world class theatre. The theatre is a building set aside for dramatic events, such as plays or musical events, and so on. Understanding this definition reveals an incredible amount of symbolism attached to the assassination of Lincoln.

#### The name JOHN T. FORD:

**JOHN = JOHANNES = HANS = HAN**

**T. for THOMSON = TOMB-SON = Sacrifice Chamber / Tomb / or BOOTH as in John Wilkes Booth, referring to the TOMB for the SON, (hewn out of Stone – 11 Western States)**

**FORD = FORD to cross a river, or stream, or as previously mentioned, the BOSPHORUS.**

The Hanford Nuclear Site was the first nuclear facility established as part of the **MANHATTAN PROJECT**, which was designed to create the Nuclear Bombs which were eventually dropped on Hiroshima and Nagasaki. Plutonium from the Hanford Nuclear Site was used in the 2nd bomb called FATMAN, that was dropped on Nagasaki.

Lincoln was watching a play (a humorous comedy) at the Ford Theatre on the night he was shot, April 14, 1865, just 6 days before what would become the birthday of Hitler on April 20, 1889.

**The name of the play was called "MY AMERICAN COUSIN".**

**This name suggests the Wedding Supper of the Lamb set to occur in the 11 Western States.**

**OUR AMERICAN COUSIN = OUR AMERICAN CUISINE, or more accurately, MY AMERICAN MEAL / SUPPER, etc.**

**The term AMERICAN = A-MARY-KA-N, or the DEATH OF MARY, or the Death caused by Mary, the Mar, the Mare, the Pacific Ocean.**

The coordinates of the Hanford Nuclear Site are:

46.6475 N / 119.5986 W.

46.64 rounds up to 47 and coincides with 11 on the 4th clockface.

Multiplying  $4 \times 11 = 44$ , the Lion King, Lincoln, Sphinx and Obama number.

(Incidentally, the symbolism behind Obama and Kenya relates to KENYA and the LION POPULATION in the Nairobi Nature Preserve).

The number 119.59... rounds up to 120, and coincides with 12 on the 10th clockface.

The first 3 numbers – 119 also suggest 911.

The number 120, or  $12 \times 10$ , relates to the 2 tables of Solomon's Temple, the 10 and 12 times tables.

**The name JOHN suggests HAN.**

**The name FORD suggests FORD, (years later to be attached to the car maker Henry Ford).**

**These 2 names JOHN FORD or HAN FORD, is suggesting the HANFORD NUCLEAR RESERVATION SITE in southern Washington State that's been leaking radioactive waste for decades, but 'all of a sudden', right at this time in the whole luciferian scenario, the leaking has been discovered to be ongoing and worse than expected.**

This nuclear waste leakage was thought to have been contained but is not. As of this point in time, it's leaking about 1,000 gallons per year. Obviously a wild guess, because just 1 tank has the potential of leaking upwards of many thousands of gallons of radioactive waste, and at this point there are at least 6 tanks leaking. There are a total of 177 tanks, which also suggests the number 77, relating to perfection and completion. This number  $1 \times 77 = 77$  or  $7 \times 7$  relates to 49 degrees N, the common border with Canada.

At the same time that the SEQUESTER kicked in for the USA debt reduction and the Pope going to the FLOOD CASTLE, the holding tanks at the HANFORD NUCLEAR SITE came into the news, extending the subliminal relating to the Japanese Disaster of 3/11/11, and the ultimate tsunami flooding and subsequent radiation poisoning of the food, water and people in the immediate vicinity.

The Hanford Nuclear Site holds  $2/3$ 's of the US nuclear waste.

The fraction  $2/3$  corresponds to 8 on the 1st clockface, and is 66.6% of a circle, coinciding with the number 8.

This is the length of time it took to build the **World Trade Center in MANHATTAN**: 80 months, which is 6.66 years.

Interestingly, when Lincoln was first elected, then inaugurated on March 4, 1861, ... this was the catalyst initiated the southern states seceding from the Union, that eventually set off the American Civil War.

Then when Lincoln was re-elected in November of 1864, and inaugurated on March 4, 1865, ... he was assassinated 40 days after, beginning at March 5, 1865, and counting until April 14, 1865.

**The number 40 relates to the FLOOD NUMBER of NOAH.**

**The name NOAH = HAN-O who FORDED the FLOOD in his ARK.**

**All of which relates to JOHN FORD / HAN FORD, and HANFORD and the Nuclear Site in Washington State.**

*The Civil War began on April 12, 1861, when the first shot was fired at Fort Sumter, South Carolina.*

If the same scenario is applied to Obama, his re-election, and inauguration on January 20, 2013, ... 40 days after his inauguration would be March 2, 2013, ... or curiously, ... today's date. As of 11:29 am as this is being written, there seems to be no word of this event, ... however, the symbolism still stands, and some event will come to the surface relating to this date, and as always, in the most illogical and unrational of ways.

## Lincoln's Dream

*This next bit courtesy of Wikipedia.*

According to Ward Hill Lamon, Lincoln's friend and biographer, **three days before his assassination** Lincoln discussed with Lamon and others a dream he had, saying:

**About ten days ago, I retired very late. I had been up waiting for important dispatches from the front. I could not have been long in bed when I fell into a slumber, for I was weary. I soon began to dream.**

**There seemed to be a death-like stillness about me. Then I heard subdued sobs, as if a number of people were weeping. I thought I left my bed and wandered downstairs. There the silence was broken by the same pitiful sobbing, but the mourners were invisible. I went from room to room; no living person was in sight, but the same mournful sounds of distress met me as I passed along. I saw light in all the rooms; every object was familiar to me; but where were all the people who were grieving as if their hearts would break?**

**I was puzzled and alarmed. What could be the meaning of all this? Determined to find the cause of a state of things so mysterious and so shocking, I kept on until I arrived at the East Room, which I entered. There I met with a sickening surprise. Before me was a catafalque, on which rested a corpse wrapped in funeral vestments. Around it were stationed soldiers who were acting as guards; and there was a throng of people, gazing mournfully upon the corpse, whose face was covered, others weeping pitifully. **'Who is dead in the White House?'** I demanded of one of the soldiers, **'The President,'** was his answer; **'he was killed by an assassin.'** Then came a loud burst of grief from the crowd, which woke me from my dream. I slept no more that night; and although it was only a dream, I have been strangely annoyed by it ever since.**

Lincoln was shot on the day we commemorate Jesus rose from the grave, Nisan 17, the stone being rolled away is a type of an eclipse

## Nisan 17 | Omer day 2 | 17 points to fulness **mathematically**

- **17 Nisan (circa 24th century BCE)** – **Noah's Ark came to rest** on mountains of Ararat; **he entered a 'new world'**. Gen 8:1-4 But God remembered Noah and all the wild animals and the livestock that were with him in the ark, and he sent a wind over the earth, and the waters receded. Now the springs of the deep and the floodgates of the heavens had been closed, and the rain had stopped falling from the sky. The water receded steadily from the earth. At the end of the hundred and fifty days the water had gone down, and on the seventeenth day of the seventh month the ark came to rest on the mountains of Ararat. the 17th of the 7th month (when the ark came to rest and a new life dawned for Noah and his family) is exactly the same day as the 17th of the 1st month (called Nisan) in the religious calendar.
- **17 Nisan (circa 474 BCE)** – **Haman was exposed and hanged** after **Queen Esther's** second drinking party.
- **In Leviticus 23** God ordained the day after the weekly sabbath during the days of Unleavened Bread as the Feast of Firstfruits. The **HARVEST could Not start until the offering of the Feast of Firstfruits** was offered and accepted by the Father. Jesus, resurrected, was that offering. This may point to our rapture after Passover
- In **Joshua chapter 5** it appears that Israel kept the Passover, the text says on the 14th day of Nisan, ate the old grain left behind the next day which would be the 15th of Nisan. The Manna ceased on the next day which was Nisan 16 and .....then.....**on the 17th they ate of the NEW fruit of the land after that** (Joshua 5:10-12). of course means they were legally able to eat of the Firstfruits of the Land starting on the Day of Firstfruits which would have been starting on Nisan 17! The manna had stopped on the 16th. Nisan 17 in 1445 BC (BR). On this same day, Israel makes **first camp at Succoth** beginning the Exodus and their first day out of Egypt on the evening of Friday Nisan 17 as stated in Exodus 12:37-39. Here, [please read this article by our brother Luis Vega on the 'day the manna stops'](#)

## WHEN THE MANNA STOPS

### The Completion of the Marriage Supper of the Lamb

*Rapture Clues from the Typology of Exodus to the Promised Land & the Passover*

- On this same date, **40 years later**, **Joshua would meet "the Commander of the army of the Lord"** which begins **Day 1 of the 7 day Battle for Jericho** according to Joshua 5:13-6:5.
- **Haman was hung** on his own Gallows on Nisan 17. His sons followed. After WWII at the Nuremburg War Crimes Trials of Nazi leaders, that several of them, I think it was 7 Nazis were HUNG on Nisan 17.....the same date that Haman was hung! In the OT, the 7 sons of Saul were Also HUNG, the text says, "at the beginning of the harvest cycle".....this means they were hung on Nisan 17!
- Nisan 17 certainly pictures deliverance, especially for the Jewish nation. The number 17 itself means **fulness, deliverance and victory**. Song of Solomon has 117 verses in it and is the 17th book of the OT cannon according to the original sequence of books. Song of Solomon is read by the Jews during Passover!
- With the death of Jesus all looked lost to His disciples and followers. Their Messiah was dead! The one they had placed all their hope in was gone. And yet strange events in the sky and in the temple at the time of His death gave a flickering hope that the end of the story had not yet come! The disciples, being Jewish, knew that God had told Moses that the first Sunday following the Sabbath after Passover would be the feast of Firstfruits. (See Lev 23:9-14). It was on this day that they were to offer to God the first fruits of the harvest. And yet, even the disciples didn't see that God was starting a new 'first fruits' on this day, the 17th Nisan. A 'first fruits' of those that would be raised from the dead! Read again the events that happened on that great day! Luke 23:1-8 "On the first day of the week (SV: **17th of Nisan**), very early in the morning, the women took the spices they had prepared and went to the tomb. They found the stone rolled away from the tomb, but when they entered, they did not find the body of the Lord Jesus. While they were wondering about this, suddenly two men in clothes that gleamed like lightning stood beside them. In their fright the women bowed down with their faces to the ground, but the men said to them, "Why do you look for the living among the dead? **He is not here; he has risen!** Remember how he told you, while he was still with you in Galilee: 'The Son of Man must be delivered into the hands of sinful men, be crucified and on the third day be raised again.'" Then they remembered his words." 1 Cor 15:20-23 But Christ has indeed been raised from the dead, the firstfruits of those who have fallen asleep. For since death came through a man, the resurrection of the dead comes also through a man. For as in Adam all die, so in Christ all will be made alive. But each in his own turn: Christ, the firstfruits; then, when he comes, those who belong to him. Like the defeat of the Egyptians and the death of Haman on this same day previously, this Sunday morning saw the resurrection of Jesus and the defeat of Satan! Death had been turned into life and defeat into victory!
- Nisan 17 was the **second feast/ dinner where the King presided with Esther--** & wouldn't it make an ideal day :- ) for our King Jesus to preside at a (wedding) feast with His Bride (us) and protect us from from any destruction the enemy had hoped for us.
- Nisan 17, **The cleansing of the Temple by Hezekiah** (eight hundred years after entering the promised land. (2 Chronicles 29:1-28) Immediately upon becoming king, Hezekiah commenced a great religious reform. In eight days they had re-opened the great Temple of

Solomon and cleansed it of defilement (2 Chronicles 29:1-17). The cleansing of the temple was not completed until the sixteenth day of the first month (Nisan)

## Harry S. Truman

*"Harry Truman" redirects here. For other uses, see [Harry Truman \(disambiguation\)](#).*

**Harry S. Truman**<sup>[b]</sup> (May 8, 1884 – December 26, 1972) was the 33rd [president of the United States](#) from 1945 to 1953, succeeding upon the [death of Franklin D. Roosevelt](#) after serving as [vice president](#). He implemented the [Marshall Plan](#) to rebuild the economy of Western Europe, and established the [Truman Doctrine](#) and [NATO](#).

Truman and the atomic bomb

## First term (1945–1949)

### Assuming office and the atomic bomb

Further information: [Atomic bombings of Hiroshima and Nagasaki](#)

Shortly after taking the oath of office, Truman spoke to reporters: "Boys, if you ever pray, pray for me now. I don't know if you fellas ever had a load of hay fall on you, but when they told me what happened yesterday, I felt like the moon, the stars, and all the planets had fallen on me."<sup>[113]</sup>

Upon assuming the presidency, Truman asked all the members of Roosevelt's cabinet to remain in place, and told them he was open to their advice. He emphasized a central principle of his administration: he would be the one making decisions, and they were to support him.<sup>[114]</sup> Although Truman was told briefly on the afternoon of April 12 that the [Allies](#) had a new, highly destructive weapon, it was not until April 25 that [Secretary of War Henry Stimson](#) told him the details. Truman benefited from a honeymoon period after Roosevelt's death, and from the Allies' success in Europe, ending the war against Nazi Germany. Truman was pleased to issue the proclamation of [V-E Day](#) on May 8, 1945, his 61st birthday.<sup>[115][116]</sup>

We have discovered the most terrible bomb in the history of the world. It may be the fire destruction prophesied in the Euphrates Valley Era, after Noah and his fabulous Ark.

— Harry Truman, writing about the atomic bomb in his diary<sup>[117]</sup> on July 25, 1945<sup>[118]</sup>

### Truman, Zionism and the recognition of Israel

#### Recognition of Israel

Truman had long taken an interest in the history of the Middle East, and was sympathetic to Jews who sought to re-establish their ancient homeland in [Mandatory Palestine](#). As a senator, he announced support for [Zionism](#); in 1943 he called for a homeland for those Jews who survived the Nazi regime. However, State Department officials were reluctant to offend the Arabs, who were opposed to the establishment of a Jewish state in the large region long populated and dominated culturally by Arabs. Secretary of Defense [James Forrestal](#) warned Truman of the importance of [Saudi Arabian](#) oil in another war; Truman replied he would decide his policy on the basis of justice, not oil.<sup>[160]</sup> U.S. diplomats with experience in the region were opposed, but Truman told them he had few Arabs among his constituents.<sup>[161]</sup>

Palestine was secondary to the goal of protecting the "Northern Tier" of Greece, Turkey, and Iran from communism, as promised by the Truman Doctrine.<sup>[162]</sup> Weary of both the convoluted politics of the Middle East and pressure by Jewish leaders, Truman was undecided on his policy, and skeptical about how the Jewish "underdogs" would handle power.<sup>[163][164]</sup> He later cited as decisive in his recognition of the Jewish state the advice of his former business partner, Eddie Jacobson, a non-religious Jew whom Truman absolutely trusted.<sup>[161]</sup>

Truman decided to recognize Israel over the objections of Secretary of State [George Marshall](#), who feared it would hurt relations with the populous Arab states. Marshall believed the paramount threat to the United States was the Soviet Union and feared Arab oil would be lost to the United States in the event of war; he warned Truman the United States was "playing with fire with nothing to put it out".<sup>[165]</sup> Truman recognized the [State of Israel](#) on May 14, 1948, eleven minutes after it declared itself a nation.<sup>[166][167]</sup> Of his decision to recognize the Israeli state, Truman wrote in his [memoirs](#): "Hitler had been murdering Jews right and left. I saw it, and I dream about it even to this day. The Jews needed some place where they could go. It is my attitude that the American government couldn't stand idly by while the victims [of] Hitler's madness are not allowed to build new lives."<sup>[168]</sup>
